Narrative

On 06/25/2020 at 22:55 hours, Officer J.Hudson (821), R. Singletary(823) and Sgt.JR Strickland (804) responded to a MVC with a pedestrian struck on a bicycle in front of 10921 Us Highway 51, McDonalds. Upon my arrival I observed a white male wearing a red shirt, dark jean's and dark shoes, later identified as Steven Lumley, by his Missouri Drivers licence, lying in the middle of the median with serious injuries. I immediately called for EMS to make the scene. Atoka Fire, Munford Fire, and Medic One, unit 953 made the scene at 2258 and began treating Mr. Lumley's injures. Mr. Lumley appeared to have some serious injuries and was immediately transported from the scene to the Regional One Medical Center in Memphis. Munford Sergeant Honeycutt(205) and Officer Yount (216) made the scene and began speaking with the driver of the vehicle that struck the pedestrian. The call was initially given out to Munford Police, but the point of impact occurred on the Atoka side of Highway 51. Munford Sgt. C. Honeycutt searched Ronald Campbell, the driver of the Ford truck, and found a small bag of a green leafy substance, two .380 caliber rounds, and a cut straw in his front right pocket. At that time, he detained Mr. Campbell and placed him in the back of my patrol car. I spoke with Deondre A. Taylor, a witness, who advised he was in the turning lane heading North on US 51 to head West on to Mclaughlin Dr and he looked up and claims he saw a red pickup truck in his rear view mirror cross into the median and strike a pedestrian on a bicycle. He further claimed he observed the pick up drive a short distance down the road before it returned and parked on the West side of the highway in front of McDonalds. I spoke with Gavin Carnell, witness, and he said he was traveling South on US 51 from Covington, Tn. and when he passed McDonald's, he claims he saw a man riding his b ke and observed him being struck by a Ford pickup. I spoke with Fehnihxx Booker, witness, who said he was sitting at McDonalds and claims he heard a loud thud and saw the truck hit the man on the bicycle, and he said at which time he rushed to him and saw that he was still breathing. I spoke to Mr. Campbell and he said he was traveling North on US 51 and struck something and didn't know what it was. While standing near the vehicle. I noticed on the front driver's seat, in plain view. a green pill bottle with what appeared to be a white powder like substance in a clear bag, and a folded one dollar bill with a similar substance in it. I took Photos of the items. The items were handed to Sqt. Strickland who placed it into evidence. I took Mr. Campbell, for safety reasons, into the InSouth Bank Lot in Atoka and conducted Standardized Feild Sobriety tests along with Capt. R. Glasgow, who observed the tests. Mr. Campbell showed no signs of Nystagmas and showed no other indicators of impairment while performing the nine step walk and turn and the one leg stand. I could smell no odor of an intoxicant on or about Mr. Campbell. Mr. Campbell was transported to the Atoka PD and read an implied consent form and requested Mr. Campbell submit to an evidentiary BAC test. Mr. Campbell consented to the blood draw. Mr. Campbell was placed under arrest for simple possession of marijuana, meth and cocaine, financial respons bility, and driving on a suspended license. He was taken to Baptist Tipton Hospital to have his blood drawn and was then transported to the Tipton County Jail. Off Singletary and Sqt. Strickland then conducted an inventory of the truck before it was taken to the police impound lot. They found a small bag of a green leafy plant based substance in the bed of the truck under the toolbox. The bag with the green leafy substance was placed into an evidence bag by Off. Singletary and Sgt. Strickland and sealed, also all other evidence that was collected along with the bicycle from the scene by Sgt. Strickland, Off. Singletary and Off. Arender and was then transported by Sgt. Strickland to the police dept where it was tagged, logged into the evidence and placed into the evidence locker. Mr. Campbell's vehicle was towed to the impound lot located at 76 Cobb Ave in Atoka for further investigative purposes.

On 07/13/20 at 1640 hrs report errors were corrected and a corrected diagram was added.

On 7-16-20 I went to 5 Navy Circle and spoke to Steven who advised he doesn't remember anything about the accident. He stated he remembers getting off work but doesn't remember going across the highway.
